FOREWORD

IT IS always difficult to make an annual a sincere representation of college life with all its stirring activity and vivid experience. The staff of the 1939 CIRCLE have attempted this difficult task. They hope that they have succeeded in making its pages portray life at Mitchell so truly that in the years to come it may touch the cords of memory. With this end in view, they have included the trivial as well as the important, knowing that often the seemingly small proves to be the most treasured. If happy incidents and warm friendships live again whenever its pages are turned, they will be well content.

THE CIRCLE

DEDICATION

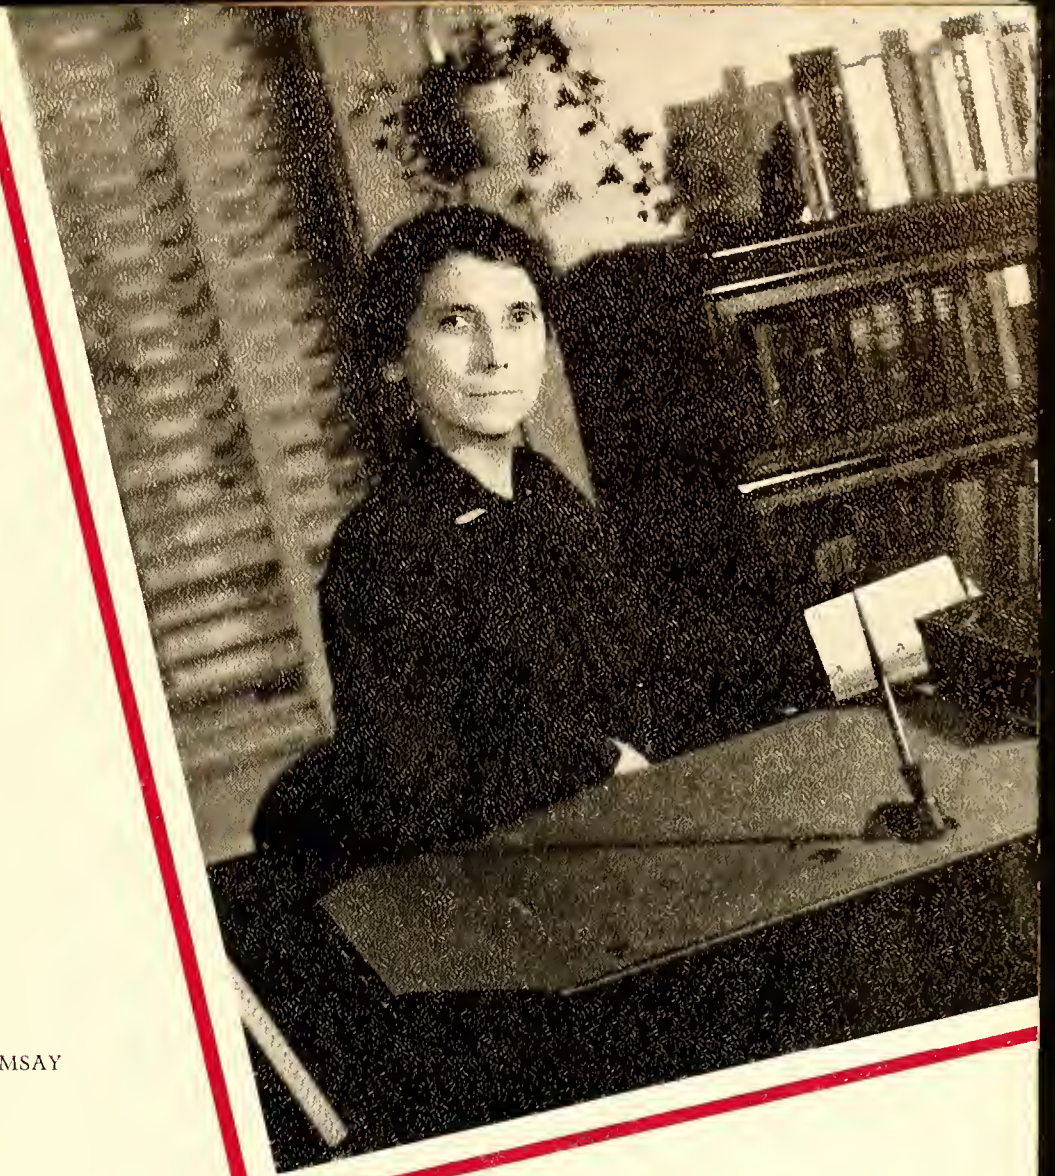

WITH KEEN appreciation of what she has done for us individually and of what she has done for Mitchell College, we, the Class of 1939, dedicate THE CIRCLE to Mrs. Minnie Hampton Eliason, as an expression of our gratitude to her for her long years of loyal and devoted service to Mitchell, during which she so largely shaped its traditions and molded its spirit; for her teaching, in which History was not confined to a study of textbooks, but was a living subject closely related to our personal lives and to the larger world in which we live; for her friendliness, which made us rely on her sympathetic understanding of our problems and our point of view; for her uncompromising standards of honor and right, which made us ashamed of lower ideals; above all, for her genuine goodness, which made it easier for us to understand the goodness of God.

Mrs. Minnie Hampton Eliason

The Athletic Association is an organization composed of the students who participate in the various functions of physical skill. The association is under the supervision of the physical director, whose duty is to encourage students to take part in such games and sports as tennis, basketball, archery, volleyball, badminton, hiking, and bicycle riding. A student's athletic rating is based on a point system which leads to athletic letters and to the high score award of the Kirkpatrick cup.

JUNIOR-SENIOR WEDDING — CARNIVAL — CLASS DAY

PRESIDENT'S MESSAGE

TO THE *College and Academy graduates and to those receiving certificates in 1939:*

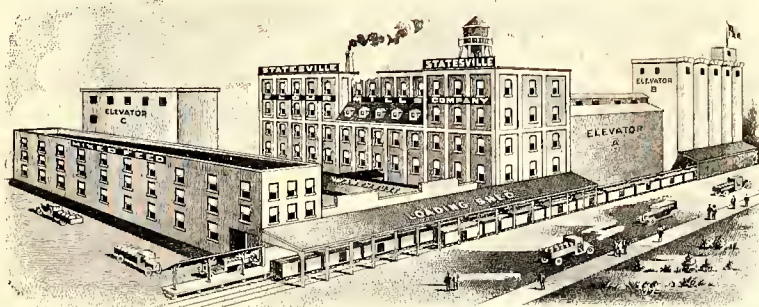

As you have come to the end of a certain phase of your experience, may you look back on your days at Mitchell with a sense of satisfaction; and may you face the days ahead with assurance and with hope. May you carry with you the fine fruit of friendships, many memories of happy experiences, and a rich measure of knowledge gained. May you leave behind the thought of things that hurt and keep only the memory of worthy aims and deeds.

God bless you every one.

GRACE K. RAMSAY.

For 36 years we have supplied High-Grade Flour to the homes of the two Carolinas. And today Statesville Flours are recognized for Quality.

In the two Carolinas there are many homes that demand the best. These homes wish to buy flour that will give the best results in baking, the kind of baking that will reflect credit on the home, insure health and always prove dependable.

NOSOCA FLOUR was created to meet this particular demand. It's the cream of the finest milling grains. You will be delighted with NOSOCA flour, and your family will be pleased with the better baking which will result from its use.

NOSOCA means North and South Carolina. Its use means best and most perfect baking results. Order it from your grocer. If he does not handle it, insist that he get some.

School Annual Engravers

Charlotte, North Carolina

COMING here at the close of so many hours of planning and work by the staff . . . any message we might add in this, our own advertisement, would savor a bit of self praise.

Yet, unseen in this example of fine book making is the day by day co-operation of our personnel, whose experience and training in the production of annuals has bridged many a pitfall for the staff.

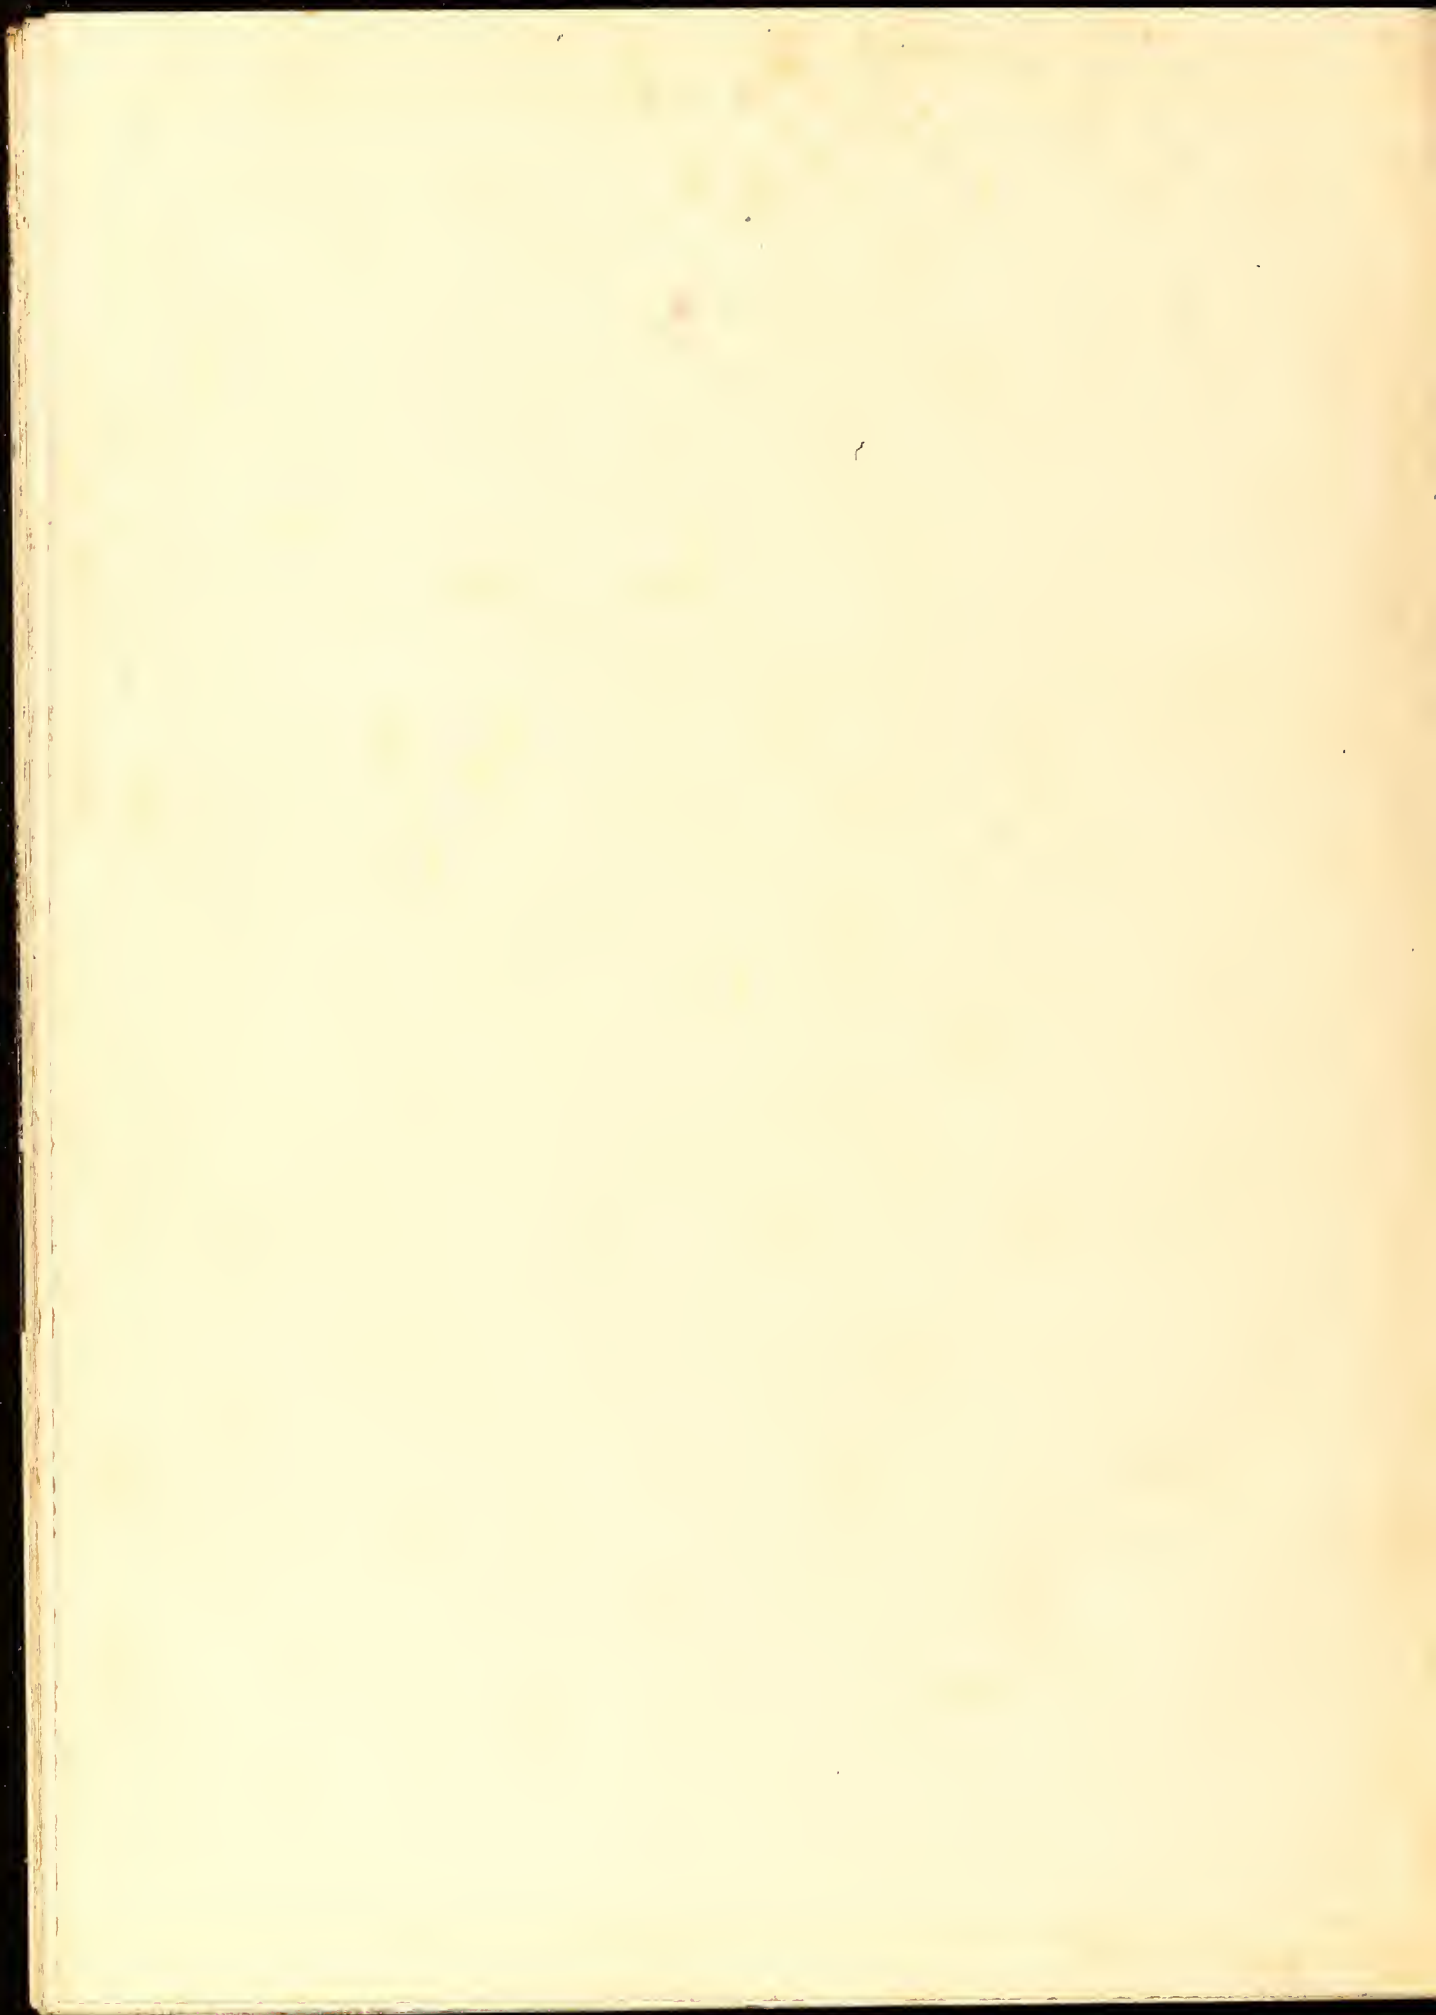

If, as you peruse the pages of the CIRCLE and are impressed with their excellence, you too, would like to avail yourself of our services whether annuals or commercial printing we'd deem it a favor if you would ask us to call.
